Mr Dick Lundy
2332 Thames St.
Jacksonville Fla.

Dear Dick:

I am writing to ask you to do me a favor. Abe said he did not believe you got around much, but I am sure you will be able to take care of this for me. If not I will understand but let me hear from you one way or the other.

You know Abe was in Jacksonville to arrange for training this spring. He made all arrangements for the park with the city Commissioner, but waited until he got home to decide which place he wanted to room and board the team. After he decided he wrote the lady who has the Hotel, and asked her to write right back and confirm the dates. We wrote her on January 28th, and had expected an answer long before this. Her name is Mrs Williams, 708 1/2 Davis St. I also asked Mr Anderson who has the ballclub to check with her. To date I have not heard from either of them, and I am commencing to get annoyed. I learned after I returned home that The Grays and The Clowns are all going to be in Jacksonville the same time I am. Originally The Grays were supposed to go to Orlando. I don't know why they changed their minds.

If for any reason Mrs Williams will not be able to take us, will you see about some other place. There will be at least twenty of us. We plan to arrive in camp April 1st, and will possibly be there the whole month, depending on where we can get some games. I will appreciate very much hearing from you right away, as our league is meeting in New York next week, and I want to know what is what by then. I hope you are feeling well.

Very Truly Yours
